

## How to calculate the number of days required to complete your order?

### Normal Order

Example:

You place an order for Business Card on Monday.  
Number of days required to Process your order = **2 days**  
(Tue & Wed). Your business card will be delivered to you on Thursday.

Note:

- Standard Delivery to West Malaysia requires 1 Working Day.
- Standard Delivery to East Malaysia requires 2 Working Days.

### Rush Order

Is an optional service and is available for selected products only. By paying extra, your order will be completed and delivered faster.

See example below:

Note:

- Standard Delivery to West Malaysia requires 1 Working Day.
- Standard Delivery to East Malaysia requires 2 Working Days.
