

## The Process of Printing with us.

- 1.Design your artwork using the right outline in CMYK color space.
- 2.Make sure the picture you use is at least in 300dpi(refer to the tutorial in this cd on how to do this)
3. Create outlines for all font to avoid missing font(refer to the tutorial in this cd on how to do this)

- 4.Delete all outline in the artwork before saving it in pdf format.
- 5.Save your artwork in Acrobat 4(PDF 1.3) (refer to the tutorial in this cd on how to do this)

- 6.Place your order via our website [www.1malaysiaprinting.com](http://www.1malaysiaprinting.com) or fill the order form provided in the CD

## One Malaysia Printing!

7. Send the file to [1malaysiaprinting@gmail.com](mailto:1malaysiaprinting@gmail.com), as an attachment in email or upload it to 3rd party media hosting service such as [www.mediafire.com](http://www.mediafire.com), [www.megaupload.com](http://www.megaupload.com) etc, and sent the link to your file to us via email with the order form. OR send it through our site OR Post the CD containing your artwork and order form OR fax your order form complete with link to the file.

8. Our staff will check your artwork and inform you via email and display your artwork status in our website if there is any issues with your artwork.

9. If your artwork has issues eg: wrong artwork size, fonts missing, etc. your order will be put on hold. Please make correction and send the artwork again before 2 weeks, after the 2 weeks period, your order will be cancelled and 70% of your credit will be refunded.
